**Price per class without membership for each child is \$10.00.**

**\$20.00 material fee will be added at the beginning of school year to cover art class expenses.**

## **Payment Procedure:**

If a Caregiver donates \$65.00 to the school for a family membership, the payment for classes for all children in that family will be calculated according to Tuition spreadsheets 1 & 2 shown above.

For example, in September there will be 2 weeks of classes. The tuition for the first child enrolled for 4 classes of the 5-6 years old group will be \$56.00 (see 1. Tuition Spreadsheet). If a family has a second child enrolled for the same number of classes, the tuition for this child will be \$40.00 (see 2. Tuition Spreadsheet). The total for two children will be \$96.00. In case, when a family does not pay the membership of \$65.00, each class for all children in the family will cost \$10.00 for a grand total for both children of \$160.00.

When a Caregiver has picked the classes for a child on the first page of the Registration form, it is necessary to look at the second page where books are listed. Some books need to be purchased and some require a deposit. A book deposit will be returned at the end of the school year ( a book should be in a good condition). In our example, for the 5-6 y.o. group, two books of \$11.00 and \$7.00 have to be purchased and \$8.00 book will be put on deposit.

The entire payment will consist of a registration fee (\$5.00 for returning students/\$15.00 for new students) per each child, tuition for classes, book cost, \$20.00 supplies fee per student singed up for the Art class and a family membership of \$65.00 for all children in a family.

The rest of the payments for each month will include only the tuition based on amount of weeks and classes.
